Haru, a high school girl comes to Kichijoji looking for Sachiko, the woman mentioned in a love letter of Haru's late father. Currently living at Sachiko's address is Jun, a female university student who loves playing guitar. Jun becomes interested in Haru's cause, and together they start to search for Sachiko's family house where they meet Sachiko's grandson, Tokio. He tells them that Sachiko passed away just recently. Later, Tokio finds a reel-to-reel tape in Sachiko's belongings. Apparently, Shinpei and Sachiko used to play music together, and the tape contains a song sung by the couple. However, the tape is damaged and they cannot hear the song to the end. Tokio, Haru, and Jun decide to complete the song themselves.
