JAPANESE LANGUAGE EDUCATION UPDATE 34: DO YOU SPEAK JAPANESE AT WORK?

by Amanda Rollins, Japanese Language Program Coordinator

Hello professionals! The Japan Foundation, Los Angeles is in the planning stage of a video project to promote the study of the Japanese language. We are gathering the contact information of Japanese-speaking professionals who learned Japanese as a second language. Would you like to be interviewed about your experiences studying Japanese and speaking it at work?

At this stage, we welcome professionals from all over the United States, and even those who are currently working in Japan.

Depending on where you live, we might:

1. Send a camera crew to you to interview you at work and maybe even film you speaking, reading, or typing in Japanese (if possible).
2. Bring you to LA to interview you!
